

CHRONIC CARE MANAGEMENT FOR YOUR PATIENTS

Our patient-centered, practice-friendly virtual care services redefine patient care, deepen patient-practice relationships and increase practice revenue with no upfront cost to the practice. We service Medicare patients with two or more chronic conditions through CMS-compliant virtual care, phone-based follow up and monthly accountability by credentialed nursing professionals.

CPT 99490 – Clinical time, 20 minutes - *\$62.69 per patient (Monthly)

*Medicare Billing Code (*figure is National average)*
